CVS PHARMACY OPENS FIRST RETAIL LOCATION IN SUFFOLK

SUFFOLK, Virginia (September 19, 2017) – CVS Pharmacy has expanded into Suffolk, with their newest store located at 2775 Godwin Boulevard. A soft opening was on Sunday, September 17th. To officially celebrate, they are hosting a Grand Opening – Ribbon Cutting ceremony on Wednesday, September 20th at 12:30 p.m. Mayor Linda T. Johnson will be on hand for the event.

The new CVS Pharmacy features over 12,000 square feet of retail space featuring a wide range of high-quality health, beauty and personal care products, exclusive label items with a 100% money back guarantee and the CVS ExtraCare Program, the nation's largest rewards program that provides shoppers with opportunities for additional savings by shopping in-store or online. The new store is completely tobacco free. CVS Pharmacy is the first and only national pharmacy chain that has eliminated the sale of cigarettes and tobacco products from all of its stores. Customers can get flu shots with no appointment needed and the cost is fully covered under most insurance plans.

"It is important for a community to have convenient access to pharmacy and health services," noted Suffolk Mayor Linda T. Johnson. "We are so pleased with CVS Pharmacy's decision to join this fast-growing corridor in Suffolk. We wish them much success."

"CVS Pharmacy is thrilled to be a part of the Suffolk community, providing best in class pharmacy services," said Paul McCormick, District Manager, CVS Pharmacy. "We're looking forward to providing convenient access to a wide assortment of health, wellness and beauty products to our customers."

CVS Pharmacy plans to hire around 22 employees for the Suffolk store.
