Sylvan Learning Center Expands in Suffolk

SUFFOLK, Virginia (October 27, 2017) – Sylvan Learning Center has opened its first branch in Suffolk. The learning center has expanded with a second location to 3575 Bridge Road, Suite 13, in the Bennett’s Creek Crossing Shopping Center. To celebrate their expansion, Sylvan is hosting a Grand Opening – Ribbon Cutting ceremony on Saturday, October 28th, at 10 a.m. Mayor Linda T. Johnson will be on hand for the event.

Sylvan provides tutoring services in K-12 subjects such as reading, writing, math and study skills to students. Full – time staff are specially trained and certified to be able to offer unique services to each student. The instructors can provide assistance with core to advanced STEM subjects and also provide preparation for various types of aptitude testing.

Franchise Owner Kim Teixeira was operating her Chesapeake Sylvan Learning Center when saw the demand grow for a Suffolk-based center so she decided to expand her operations to fulfill that need. “It’s not only about children who may be having a challenging time in a subject,” Teixeira pointed out. “We are here to help the students build their confidence so they can improve their grades and advance. We are so excited to be a part of that in Suffolk.”

“It is extremely important to provide our youth and young adults all the resources available to help them achieve high educational excellence.” said Suffolk Mayor Linda T. Johnson. “Tutoring provides a vital program for many students and their

families to put them on a path to success. We wish them all the best in their expansion in Suffolk.”

Grand opening specials will be offered all day on the 28th.

Hours of operation will vary from day to day at Sylvan North Suffolk, see <https://locations.sylvanlearning.com/us/chesapeake-ymca-va/> for full schedule. Students can be referred by their teachers or opt to come in on their own. Sylvan offers a variety of different payment plan options.
