Suffolk – based Kerma Medical Products Providing Hand Sanitizer and Face Coverings to Support COVID-19 Shortages

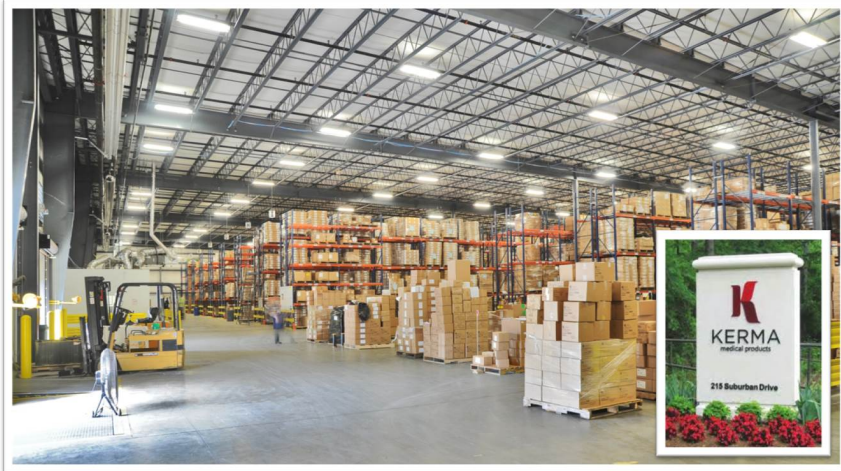

SUFFOLK, Virginia (June 22, 2020) – Kerma Medical Products is responding to the urgent needs of the business community in need of adequate supplies of important protective supplies. The company, headquartered in Suffolk, aims to distribute its hand sanitizers and face coverings to first responders and the medical community along with hairdressers, salons and other businesses in need of the essential products.

Kerma Medical Products is a Veteran – Minority - owned company that has been in business since 1991.

The sanitizers contain 62 percent by volume ethyl alcohol which exceeds the Centers for Disease Control and Prevention’s (CDC) recommended minimum of 60 percent. Sanitizer is sold by the case and face masks are available in bulk packs.
