Bronco Federal Credit Union to hold Ribbon Cutting Ceremony for New Suffolk Office

SUFFOLK, VA. July 16, 2007— On Tuesday, July 17, 2007 at 10:00 a.m. Bronco Federal Credit Union, a local community financial institution, will hold a ribbon cutting ceremony for their new 4,000 square-foot building at 3075 Godwin Boulevard. The new building is located on Route 10, north of the new Sentara Obici Hospital.

Bronco Federal Credit Union opened for business in 1941. From then to now their goal has been to make financial transactions easier and more convenient for all their members. If you live or work in Suffolk, you'll find this new office a welcome addition to Bronco's many convenient products and services. There are also five existing Bronco Federal Credit Union ATM locations inside Suffolk Food Lion Stores. This new location will feature the latest in financial technology, including 24-hour ATM access and several drive-thru lanes, and will soon become an outlet of Virginia's credit union shared service network.

“Bronco Federal Credit Union has been helping families achieve their dreams since 1941. We look forward to serving our Suffolk-area members and to building new relationships with the people and businesses of Suffolk,” said Bronco CEO Bob Petty.

“I am very excited that Bronco Federal Credit Union is expanding its operations in the City of Suffolk. Their continued growth speaks well of our business environment. This investment shows confidence in our City and we look forward to a strong working relationship with Bronco Federal Credit Union,” said Suffolk Mayor Linda T. Johnson.
