SERVPRO Opens In Suffolk To Serve Western Hampton Roads

On Wednesday, December 2, 2009 at 10:00 a.m., SERVPRO of Suffolk/Smithfield/Franklin will hold a ribbon cutting ceremony for their new office space at 3537 Pruden Blvd. This location will improve customer service and provide a faster response time for all the surrounding communities.

SERVPRO of Suffolk/Smithfield/Franklin is a locally owned and operated franchise. For the past seven years, SERVPRO has proudly served the Hampton Roads area from dirty carpets to catastrophes. They specialize in the cleanup and restoration of residential and commercial properties. SERVPRO is available 24/7 to handle emergency services for fire, smoke, water damage and mold.

“We are very excited about our new location,” said Joey Hardison, owner of the SERVPRO of Suffolk/ Smithfield/ Franklin franchise. “We had out grown our previous location and needed to expand. We are now strategically located to service our franchise area.”

“We are delighted that SERVPRO decided to locate in Suffolk to better serve their customers,” said Mayor Linda T. Johnson. “There is not a resident or business that wishes for damage, but it’s comforting to know that there are experts nearby to service them.”
