Sluggers boasts 4 token batting machine stations, 2 tunnels, and a retail counter for baseball and softball equipment. “We are happy to bring Suffolk a much needed facility to practice baseball and softball in or feel free to just come swing the bat and have a good time” states Manager Suzanne Sargent.

“Sluggers will be an excellent addition to our community” said Suffolk Mayor Linda Johnson. “This will allow individuals the ability to practice their game anytime of the

year without having to worry about the weather. This facility and investment will certainly enhance the quality of life for our citizens.”
