Downtown Suffolk's Newest Events Location, The First Lady, to Hold Open House

Get in the spirit of the Holiday Season by joining the owners of The First Lady for a festive Holiday Open House. The 3-day celebration will begin on Thursday, December 11th thru Saturday, December 13th from 4:00 – 8:00 p.m. Stop by on Thursday night at 6:30 p.m. and enjoy homemade goodies while you listen to special entertainment, "Home for Christmas with Elvis". The First Lady is located at 447 West Washington Street and the event is open to the public.

The First Lady is a century old (circa 1907) Queen Anne/Late Victorian-style multi-gable building which stands in a class by herself. It has gone through extensive top-to-bottom renovations. "The restoration of this beautiful house has been our vision and dream for several years," states co-owner Jennifer Seebo. "This is a historically significant part of Downtown and to be able to bring it back to life and open its doors to the Suffolk community is very exciting".

For further information about the Open House please contact Jennifer Seebo, 757.646.5152 or Mickey Boyette, 757.646.5152.
