Benham Real Estate Group Opens Downtown

SUFFOLK, Virginia (March 17, 2015) – Benham Real Estate Group is pleased to announce the opening of their newest location, at 112 W. Washington street, Suite 112, in Downtown’s historic Tower 112. They are an independently owned and operated real estate brokerage with offices throughout the United States. To celebrate, a Grand Opening – Ribbon Cutting ceremony will be held on March 18th at 3:15 p.m. Mayor Linda Johnson will be on hand for the event.

The Benham Real Estate Group specializes in the management and sale of foreclosed/REO properties. They also provide management solutions to bank clients for the purposes of liquidating large volumes of foreclosed properties. Licensed Realtor Domenick Epps will head the Suffolk franchise location. A lifetime Suffolk resident with a background in both real estate and ministry, Epps is confident he can help give back to his Suffolk community with the new business. “I am so excited, and count as a blessing, to be assisting families by guiding them to make owning a home a reality,” said Epps, whose logo is “The People’s Agent”.

“Helping families to become homeowners improves the quality of life for our community,” noted Suffolk Mayor Linda T. Johnson. “We thank Domenick Epps and Benham Real Estate Group for their investment in our city.”
